

Locobuzz Privacy Policy

Locobuzz Solutions Private Limited and its affiliated entities ("**Locobuzz**") are dedicated to ethical practices and prioritize the protection of Your Personal Information. With a foundation built on integrity, client focus, and care, data privacy is embedded in Our business, shaping how We make decisions, develop products, and drive innovation, with an unwavering commitment to privacy and respect.

This Privacy Policy ("**Policy**") aims to clearly outline the types of Personal Information We collect, how We gather it, and the ways We use this information when You interact with Our Website or engage with the Locobuzz team. Our Services are designed exclusively for corporate clients, rather than personal, family, or household use. Therefore, all Personal Information is treated as data related to individuals acting on behalf of their businesses. This Policy also explains the potential outcomes if consent is withdrawn or withheld, ensuring that users understand their rights.

We encourage regular review of this Policy and welcome inquiries or concerns at privacy@locobuzz.com.

Scope of this Policy and Locobuzz's Role

- a. This document details how We handle Your personal data upon interaction with Locobuzz, including engagements with Our team or use of Our Services and Website. It applies to personal data collected during interactions, whether through Website use, service inquiries, purchases, registrations, or logins. On Our Website, Locobuzz serves as the data controller, managing the processing of Your personal data.
- b. This Policy does not apply to data processed on behalf of Locobuzz's clients, where clients are the data controllers, and their privacy policies govern the processing of data within Our Services or through public sources via Our Services. Details on Locobuzz's role as a service provider and processor are outlined in the 'Locobuzz's Role as a Service Provider and Processor' section.
- c. Moreover, this Policy does not cover data processing when navigating to external sites via Our Website. External sites have their own terms and privacy policies, which govern their data handling practices. Locobuzz is not responsible for the practices of these third-party sites.

Use of YouTube API Services

Our Services integrate with YouTube API Services. By using our Services, you agree to be bound by the YouTube Terms of Service and Google Privacy Policy.

Upon request for data removal, users can revoke the API Client's access to their data via the Google security settings page at [Google Security Settings](#).

Linking Your YouTube Account

Linking your YouTube account to the Social Media Management Solution involves using YouTube's API connection. You can revoke the Social Media Management Solution's access to this data through the Google security settings page, here: [Google Connections](#).

Acceptance of this Policy

a. These Terms of Service (“Agreement”) govern your utilization of Locobuzz’s services. By accessing or using our services, you hereby agree to comply with this Agreement. This Agreement is subject to periodic revisions. By using Locobuzz’s Services, Customers agree to its privacy Policy, terms of use, and any additional terms outlined in their agreements with Locobuzz. If your use includes processing data from European or Indian individuals, you may need a Data Processing Addendum.

b. You are required to keep any Non-public Information about Locobuzz confidential.

Our processes in relation to handling your data

Locobuzz gathers personal information through various means: directly from your interactions on our website or with our team (like service inquiries, subscriptions, event participation, and account-related information), automatically through website navigation (tracking service usage patterns, device and location data, and cookie-generated information), and from third-party sources (social media interactions, connected third-party applications, partners, and publicly available data). This data collection supports personalized service delivery and improved user engagement.

a. How do we collect your data?

Use of Cookies and Similar Technologies

Locobuzz employs cookies and related technologies to identify Your browser uniquely and gather data on Your interaction with Our Website. These technologies help in providing, securing, and optimizing Our Website. We use the following types of cookies to collect Your data:

i. Necessary cookies are essential for the basic functions of this site, like secure log-in and managing consent settings, without storing identifiable personal information. ii. Functional cookies enhance usability by enabling features such as social media content sharing, feedback collection, and integration of third-party services. iii. Analytics cookies gather data on user interaction, providing insights into visitor numbers, engagement, and traffic sources to improve site performance. iv. Performance cookies focus on analyzing website efficiency, aiming to enhance user experiences by tracking performance metrics.

You can adjust your preferences regarding third-party cookies, which are utilized for analytics, marketing, and advertisements, either via our website, browser settings, or by opting out through third-party platforms. It's important to note that modifying settings in one browser will not impact others.

b. How do we use and safeguard the personal information gathered through the website?

Locobuzz uses your information to enhance user experience, tailor communications about services and promotions, and employ analytics tools to improve our website's design and content through insights into traffic and user interactions. We prioritize the protection of your personal data through comprehensive security measures, including SSL encryption and secure database storage, while adhering to principles of transparency, accuracy, and controlled sharing. Your explicit consent is sought for sensitive data, with opt-out options available for other information. Our practices ensure data is used for its intended purposes, protect against unauthorized access, and require your explicit approval for any external sharing, affirming your rights to manage and delete your data in line with our privacy commitments.

c. Do we share your data with anybody else?

Locobuzz values your privacy, hence we do not sell, trade, or transfer your personal information to outside entities, except under specific circumstances. These include sharing with trusted third-party service providers who assist in our website's operation, business management, or user service, provided they maintain confidentiality. Additionally, we may disclose your information to meet legal obligations

, enforce our site policies, or protect rights and safety. We also share non-personally identifiable data for marketing or advertising purposes, ensuring personal privacy is safeguarded.
